

AES NEW OFFICE BUILDING & ROADWAY IMPROVEMENTS

AES New Office Building and Roadway Improvements

AES, 5891 Highway 230, West McEwen, TN

Project Description: The AES New Office Building and Roadway Improvements project consisted of the construction of a new 10,000 SF office building, a new parking and improvements to the existing entrance road and existing parking. Feller, Finch & Associates' site plan included grading, utilities and geometrics.

Project Municipalities: Humphreys County and Hickman County. No meetings were required.
