Sebo Athletic Center

Bowling Green, Ohio

CLIENT

Sink Combs Dethlefs, Sports Architecture

Sink Combs Dethlefs, Sports Architects, engaged Feller, Finch and Associates in the preparation of plans for the 42,500 square foot Sebo Athletic Center at the Bowling Green State University located in Bowling Green, Ohio. The new two-story building features an expanded state of the art sports medicine and rehabilitation facility and strength and conditioning area for all University student athletes. Feller, Finch and Associates was involved with preparation of construction plans for the site utilities and grading and the related bidding documents. Total project cost \$ 7.4 Million.
