

**TOWN CENTER AT LEVIS COMMONS**

**TOWN CENTER AT LEVIS COMMONS  
MIXED USE DEVELOPMENT**

**CLIENT:** Dillin Corporation

**LOCATION:** State Route 25 near Interstate 475 and Interstate 75 South, Perrysburg, Ohio

**SERVICES:** Construction Engineering, ALTA Surveying and Construction Staking Services

**PROJECT DESCRIPTION**

The Town Center at Levis Commons is an upscale 130 acre mixed-used development located in Perrysburg, Ohio. Levis Commons Town Center combines Old World elements with a contemporary flair to create a unique living, working and shopping environment. Feller, Finch & Associates was responsible for providing the detailed civil engineering design, surveying and construction staking for Phase 1 of the master planned development. Detailed design included roadway, pedestrian and vehicular pavement, grading, sanitary and storm water system and miscellaneous utility design.
