

MALINTA SANITARY SEWER IMPROVEMENTS

VILLAGE OF MALINTA SANITARY SEWER IMPROVEMENTS HENRY COUNTY, OHIO

CLIENT: Village of Malinta

SERVICES: Construction Staking

PROJECT DESCRIPTION

Feller, Finch & Associates provided construction staking and easement acquisition services for The Village of Malinta Sanitary Sewer Improvement Project. The project included construction of a new 51,000 gpd control discharge lagoon treatment facility and installation of 8 to 10 inch gravity sanitary sewers, 2 and 6 inch force main, one pump station, 6 grinder pump stations, and related restoration items. Feller, Finch & Associates also provided detailed civil engineering design and inspection services for the project.
